Dear Feedback Network Member,

Under the terms and conditions of Washington's State Innovation Models (SIM) Test Grant, the Healthier Washington team must submit a quarterly report to the Center for Medicare and Medicaid Innovation (CMMI) focusing on the progress made toward the program milestones and goals of the Healthier Washington initiative. These reports will be publicly available on the Healthier Washington website. Additionally, the reports include a financial summary of quarterly spending on the SIM grant.

View the quarter one progress report and financial summary [here](#).

Please do not hesitate to contact the Healthier Washington team with any questions or feedback.

Thank you for your interest in a Healthier Washington and for helping make Washington a healthy place to live, work, and play!
